2021

Thank you for showing an interest in enrolling your child at Selly Park Convent Primary School; We hope that we shall be able to assist you.

Attached please find a prospectus for the School. It includes an Application Form, which must be completed in full and returned to our office, together with the supporting documents requested and the Application Registration Fee. All required information will be used for administrative or Department of Education purposes only.

Your application will be processed as soon as possible, within the constraints of our Admissions Policy. Admission is dependent on available places in the relevant Grade; if space is available, you will be contacted for an interview with the Principal and the prospective learner(s) will write a placement assessment. Admission will then be based on various admission criteria – learner assessment, information from previous schools and credit checks, amongst others. You will be offered a tour of the School with one of our staff at this time.

Interviews for new learners are scheduled after the second week in August. During the interview process, the prospective students write a school assessment test.

School Readiness Assessments for Grade 1 are scheduled for early in October.

Admission to the School is reserved and the Principal's decision is final.

Please return the forms and documents as soon as possible and thank you for your enquiry. We hope to welcome you to our special Selly Park community!

MRS. G. VICKERS
(PRINCIPAL)
