2023

Thank you for showing an interest in enrolling your child at Selly Park Convent Primary School; We hope that we will be able to assist you.

Attached please find a prospectus for the school. It includes an **application form**, which must be completed in full and returned to our office, together with the supporting documents requested and the R200 registration fee that must be paid directly into the school's bank account as we are a "cashless" school. All information on the application form will be used for administrative or Department of Education purposes only.

Your application will be processed as soon as possible, within the constraints of our Admissions Policy. Admission is dependent on available places in the relevant grade. If space is available, you will be contacted. Interviews for new students (for the following year) are scheduled after the second week in August. The prospective student(s) will write an Entrance Assessment Test (Grade 1-7). The Principal will then give feedback to the parents on the results. School Readiness Assessments for Grade 1 are scheduled for early in October and then feedback will be given to parents by the Principal. Grade RR and Grade R will be interviewed by the Principal with their parents present. Admission will be based on various admission criteria – student results, information from previous schools and credit checks, amongst others.

Admission to the School is reserved and the Principal's decision is final.

Please return the forms and documents as soon as possible and thank you for your enquiry. We hope to welcome you to our special Selly Park community!
